## Two Days Seminar for Lainat Children

Lainat Home organized a **two-day seminar** for the children on **June 21–22, 2025**, at **Lailam Veng**. The sessions were led by **Mr. Lammunsang Tombing**, who guided the children with valuable insights and encouragement.

On the first day, the children attended sessions on **New Life Creation, Career Counselling, and Study Skills**. The second day focused on an important seminar on **“Introduction to Competitive Exams.”** The seminar was attended by children from Class 9 and above.

It was a wonderful opportunity for the children to gain motivation, practical skills, and direction for their future.

At the close of the program, Mr. Tombing graciously gifted his book **“Life & Career Transformation”** to the ministry so that the children could continue to learn and benefit from his teachings even beyond the sessions

# Heart full of gratitude!

We were honored to receive a visit from **ladies representing a group of Mahajon wives**, who came with generous gifts for the children. They donated clothes and brought juice and biscuits, which lit up the children's faces with joy and excitement. Their kindness and thoughtfulness brought warmth not just to our home, but also to our hearts.

In addition to their visit, we also received a parcel of clothes from **NEST Lamka**. We are truly grateful for their care and support. Every gesture of kindness reminds us that we are not alone in our efforts, and that there are compassionate individuals and communities who stand with us.

**N & K Salon** blessed the kids at Lainat Home with free haircuts. Their time, care, and kindness brought not only new looks but also big smiles. We deeply appreciate their love and generosity toward the children.

Brother Timothy and his sister Hannah from South India who are a good friend of Sister Muani, came to visit Lamka. During their stay they visited Lainat Home and gave the children to a delicious treats of ice-cream.

The students from Grace Bible College continue their visits to Lainat Home every weekends. On one weekend, the children from the Home, along with the students, spent time together at Sister Muani's farm at Mission Compound. The natural landscape offered a peaceful retreat, allowing everyone to unwind and find rest from the busyness of school and college life. On another visit, they spend time playing football at the turf.

## Seminars

Our Director **Muani Tombing** was invited to speak as a resource person at **the 15th Committee Members Training Camp (CMTC)** of **UESI Manipur** on **30th July** at **Jacob Prayer Mountain**. Apart from that, she has also been invited as a guest speaker for **Class 9 students** at **V. K. Tawna High School** on the topic **“Stress.”** Sister Muani continues to inspire and empower young people with her wisdom, faith, and vision.
